From the Ba'eigh Standard. Registration, KEENANSVILLE, N. C., July 1, 1870.

Hon, L. P. OLDS. Attorney-General of North Carolina DEAR SIR-As there seems to be a difference of opinion as to whether there should be an entirely new registration before the August election, will you be kind enough, in order that the question may be settled and uniformity of action established, to give your opinion for the press of the State on the subject? I respectfully solieit an opinion frem you, in order that all ment of counsel, I declare my opinion to difficulty may be avoided, at an corly day, Very respectfully

your ob't serv't, WM. A. ALLEN.

ATTORNEY GENERAL'S OFFICE, / Baleigh, N. C., July 6th, 1870. WILLIAM A. ALLEN, Esq.,

DEAR SIR-Yours of the 2d instant received, and in compliance I have the honor to reply, that the Registration Acts of 1868, chapters 49 and 50, are to govern in the present election so far as they extend, and they extend thus far : the act of March 26th, 1870, only makes certain minor alter-249,000 519,000 ations and additions, to be noted presently. Sec. 6, chap 40 (a t 1868), declares who shall be entitled to vote and preparatory thereto register. The registration already made under this act therefore stands good. Sec. 11, providing for removals by electors, those presenting at any other voting ceive; but it cannot with consistency be place a certificate of their previous regismade to include any of the bonds issued

The above leaves only those who negleefed to register proviously, or at the registration in 1868; those coming of age who could not, with the naturalized and against 2,020,000 during the corresponding immigan's, to appear as electors. Whilst be taken that the General Assembly supsection 7 of the same act (with a very slight alteration now), together with section 7th not intend by the act of the 12th of March of the act amending as found in Chapter 50 of the same date, supply all the main ling within its provisions, to be valid and regulations for a fair and full registry and of legal effect.

Hence, with the idea that past registration was to answer as far as it goes, the "when needed," like those before used.

of 1868, and this of 1870, it is seen what changes are proper, these being very few. The atterations are as follows:

I. The oath of voters is changed from former Act in requiring a subscribed oath as under the 4th section of the VI Article of the Constitution, requires it now merely under the 2d section of the same chapter of the Constitution. This saves time, and avoids the unmeaning coremony of exacting the cath of an office holder, instead cution of the act of 12th of March, 1870. of that of a voter simply.

II. To save time and the particularity the act of the 8th of March, 1870, or any of the State bonds issued under the act of eeming sufficient, section 7th of the Act of 1868 is altered, as shown in section 9th of the present law. The cath is not sub. in the hands of the Wilmington, Charlotte

HI. Section 12th, new Act, relates to restraining the defendant, the Wilmingthe hours of voting, who to vote in connection with registry, eveldence or otherwise which it is well to note expressly, and in lie Treasurer, in execution of the act of its connection with sections 11th and 12th | the 12th of March, 1870, any of the bonds of the former act. IV. Section 27th, new Act, is new mat- an undertaking, in writing, with two or

The " Carpet-bagged " South

The Washington correspondent of the Chicago Tribune, the leading organ of the Western Republicans, writes a voluminous letter to that paper about what he calls 'The Scalawagged States." He takes them up one after another and shows how they have been abused, swindled, pillaged and disgraced by their new and unprincipled rulers. Of North Carolina he says :

Treasurer of the State, and the Wilmington, Charlotte and Rutherford Railroad The scalawag ring of Joe Holden, Deweese, Abbot, Jenkins and G. W. Swepson have increased the debt of North Cartreating it as an affidavit, and the arguolina since the peace \$23,000,000. The bonds of the State have declined to twenbe: that the plaintiff, as one of the propty-five cents on the dollar. The Supreme erty holders and tax payers in the State, is entitled to institute the action in his own 000,000 of this fraudulently negotiated debt, particularly the Chatham railroad properly holders and tax payers in the bonds. The debt of the State is upwards State, the legal effect of which is, that the of \$40,000,000, the new portion almost enplaintiff will not be at liberty to dismiss tirely raised for railroads, of which not the action without an order of the Court more than one has ever been built a mile. The bonds of the road have been sold, and I further declare my opinion to be : that the money sunk amongst the legislators by the true construction of the Acts of

and corporators. 12th of March, 1870, in connection with His personal sketches of these worthies, the Acts of 5th of February, 1870, and of and their spoliations and general misconthe 8th of March, 1870, the Public Treaduct, are racy in the extreme. skilfully managed." He calls Alabama "the banner State of Reconstruction," and adds : "The debt of 1876, and which, seeing the error of the ficient to entitle the plaintiff, in behalf of the State has been increased for enterprising ends, and still the State bonds stand above par."

the injunction as claimed. It is ordered He says that Florida is "carpet bagged that the Clerk of the Superior Court of and scalawagged to despair by the Reeds, Wake county issue a writ restraining the Gleasons and Hamiltons who ride her." defendant Jenkins from receiving, in exe-His account of Virginia is as follows:

Forty millions of debt, honestly met on interest day with three per cent. cash, and three per cent. in certificates, readily convertable into cash-this is the State of the the 12th of January, 1869, which are still Old Dominion. An honorable man for Governor, too conservative to do all the work he might; two Senators of different politics, both of good character, and a seople with the aptness to learn and recover, this State demonstrates the power of the ballot, exercised without national interference, to make us a land of rich and virtuous commonwealths again.

The following extracts are made from this letter.

The whole policy and sole hope of the plunder set in the South is to invent and spread diabolical stories of massacres, may sustain by reason of the injunction, if murders, rapes, masked batteries, etc., etc., and under cover of these lies to call out the militia, and keep the better popu-The plaintiff will be allowed five days lace by intimidation from the polls. This from this instant to procure sureties, upon is the game. This is the device. The object is entirely vulpine.

* * We cannot have a good government in this generation until we acknowledge that every gray uniform and every registration before the election may be (\$1,000) in the event that he fails within blue uniform has an influence and a that time to forfeit his undertaking for the righteous place in the body politic. It is probable, such is the contrariety of human nature, and such the consistency of republican government, that the men capable of the highest performances as rebels, are also capable of the highest good as restored citizens.
